## Self Assessment

[Self Assessment](#) (opens in a new window)

**Thursday 31 January**

We are currently aware that some customers may be experiencing problems with this service and are working with our IT service provider to give this our urgent attention. If you are experiencing problems please try again later. We apologise for any inconvenience this may cause. Please note this does not affect users of Third Party Software.

Follow the [Service issues](#) link which details the current problems identified with this service and advice on how to self help where possible.
